## **Welcome To Pupil Newsletter:**

Hello, welcome to our first pupil newsletter. Last term a Year 6 pupil, Mary Close, came up with an idea of a newsletter written by a few pupils from Class 3. The idea succeeded and we have endeavoured to write a pupil newsletter that we all hope you enjoy.

## **In memory of our Queen:**

Recently, most of us know our monarch, Queen Elizabeth II, sadly passed away on 08/09/2022. Queen Elizabeth II was the longest female reigning monarch in history, just celebrating her Platinum Jubilee this summer. Even though her reign lasted for seventy years it has been a shock to everybody in the UK and people worldwide. From all of us at Barlow Primary we send King Charles III and his family our best wishes at this difficult time.

## Our New Play Equipment:

A few years ago, we had a big play course that was unfortunately demolished; since then, we have never had another play course built. Finally, a few weeks ago Mrs MacDonald (our Executive Headteacher) announced that we were going to have another climbing frame built and it would be ready to play on in a few weeks.

It is now finished and here are a few images of the play equipment.

Here are some quotes from children about the play equipment:

Class 1 " I like the new equipment it's really fun. I like the obstacle course the best"- Tommy

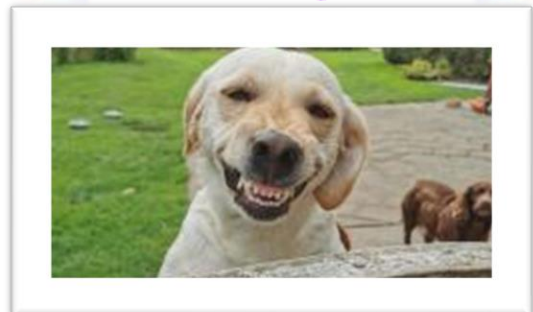

Class 2 "It's good equipment, I like to play on it with my friends. I especially like the obstacle course". - Florence

Class 3 " The new play equipment is like a new door unlocked in the playground, it's really fun and we are so grateful for it, I like them all as there is such a wide variety"- Halle

## Happy News:

In our school we recently got a visit from our therapy dog, Twig. Twig came into our lesson and enjoyed every moment! As well as greeting our classes, Twig took Evie for a walk around the field.

## Young voices coming to return...

In Young Voices Club this year we are going to Sheffield arena and we cannot wait. Mr Bringloe, our lovely Music Teacher, that travels between all of our three schools is taking us. On this journey, it will take one hour to get there. You will be able to take a couple of snacks on the bus. The children that are going to Young Voices will also have to pack a supper and bring it with them on the bus to the arena! We might even get home close to midnight! Practising like crazy is not even a term we can use to say how hard we are working. Although we still have a long way to go we are making great progress. Heather Small will be performing with us, we can't wait to sing with her. So, get your singing voice ready because we all cannot not wait!

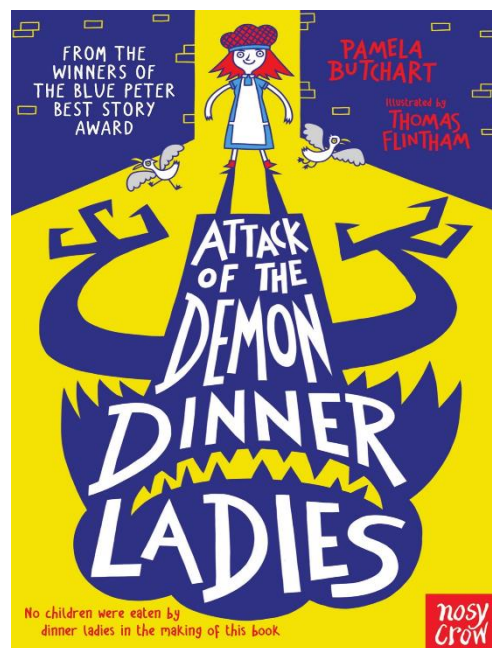

## Book of the week:

We had an idea to get more people reading books, this half term we chose 'Attack of the Demon Dinner Ladies'. Here is the blurb...

### **Blurb:**

'Izzy and her friends are SUSPICIOUS. School dinners have changed for the worse and the dinner ladies are wearing hats and smiling creepily. Why are seagull hanging around and WHAT'S in the new pie?? But it's when Maisie disappears that they KNOW. The dinner ladies are EVIL and they're going to ATTACK!!!!'

We hope this gets more people reading 😊

**Disclaimer: We don't have any Demon Dinner Ladies at Barlow!**
