

## Spring Term Sports Report 2020.

	Spring 1	Spring 2
Class 1	All - Ball skills	All - Ball-skills
Class 2	Barlow – Netball	Barlow – Hockey
	All 3 schools have had a block of 8 weeks swimming	All 3 schools have had a block of 8 weeks swimming

### Aims

The ability to stay active for sustained periods of time.

A keen interest in PE. A willingness to participate in every lesson.

The ability to swim at least 25metres before the end of the swimming block

### Lesson Evaluations:

Class 1 – have continued to develop their fundamental skills primarily looking at ball skills – rolling, throwing, catching, passing. Using various sized balls, building individual’s confidence as not to be afraid of the ball. Staff have observed pupils and made assessments as to individual’s abilities and next steps agreed. Next steps to continue with this skill into spring 2 as pupils unsure of the ball, its power, speed and control.

### Barlow and Chapel Haddlesey

#### Class 2 + 3

Quicksticks hockey has been taught, looking at the basic how to hold a stick, passing the ball whilst stationary and on the move. Weakness identified within passing and next steps for a small game highlighted. All pupils making some improvement. Class 3 were extended to small games looking for space, working as a team.

### Netball

Followed the Hi 5 netball programme looking at passing, footwork and positions on court. Pupils working hard in the lessons very active. Next steps to help those still frightened of the ball, by working them in small groups building their confidence with their passing

All 3 schools have attended swimming lessons at Selby Leisure centre. Each school undertaking a block of 8 weeks. All pupils were assessed on their first session and placed in their working group - deep end, shallow end of big pool or learner pool. Over the course of the weeks some people were moved up groups, all pupils completed a swimming level, some pupils practised lifesaving skills. The yr 6 statistics are being evaluated for the PE funding report.

### After-schools clubs

Barlow did not have an afterschool’s club but a Playground leader continued

All three schools have been involved with helping students at Selby college. This was over a 4 week period with yr 3-6 involved. The College students required pupils to coach for their coaching awards for their Degrees. There was a number of activities organised to which the children participated all inclusive or adapted to pupils needs. Staff who attended reported back on very educational and enjoyable mornings. This link will hopefully continue in the future.

### Barlow and Burton Salmon

Mrs Hunt has been in to work with Barlow class 1 on multi-skill activities. Passing her knowledge onto staff and pupils with some great ideas. She has also been to Burton Salon and coached KS 2 in Hi5 netball for the tournament. She pointed out that there were some natural netball players amongst them

### Sports Relief

Across the Federation the schools supported this event. A mile was walked around the playground s as a school. In house teams netball activities were played, Boccia was tried, The official Gulf coast commonwealth games 2018 dance was boogied. Everyone including staff participated, older pupils helping younger ones. A lovely atmosphere was noted and a family community seen.

### CPD:

Staff attending the cluster events to enhance their knowledge and understanding of an off site sporting event.

### Cluster Events:

25<sup>th</sup> February – Quicksticks Yr 3/4 @ HFS Barlow and Haddlesey attended. Barlow team won the competition and through to compete in the Selby area final

Barlow 11<sup>th</sup> March – Quicksticks yr 3/4 Selby final @ Drax . Barlow came 3<sup>rd</sup> overall but qualified as the small schools winner for the Yorkshire final in July.

Due to the coronavirus all our sporting cluster events have been postponed until further notice.
